Have you lived overseas and experienced trouble readjusting on your return? Are you curious about teaching overseas and want information about the “reentry” process? Are you interested in the experience of culture shock generally? Come to this discussion where a seasoned university ESL/EFL instructor will share anecdotes and resources about reverse culture shock: what it’s like coming home.

The Discussion will be facilitated by the Teaching English Internationally SIG Co-Chair Elizabeth Fonseca and will take place at Nassau Community College.

This discussion will be an easy-going exchange of information over light refreshments. Meet fellow instructors, learn and share!

To keep the discussion intimate, there is room for a limited number of participants. If you need to renew your membership or wish to join NYS TESOL, now’s the time! Here’s the link to make it easy to do:
