

HOLIDAY SPIRIT IN THE CLASSROOM

The Fifth Salon NYS TESOL Adult Education SIG

- 7:00 – 9:00 P.M.
- December 8, 2011 (Thursday)
- A cozy residence in Sheepshead Bay, Brooklyn, NY
- Salon Registration Fee: **\$5.00 (payable at the door)**

You are invited to share brilliant ideas on how to spread the **Holidays spirit** in the classroom and make professional **New Year's resolutions** together!

Let's meet on December 8 for 2011 Christmas Calendar countdown together! Hanukkah, Christmas, Kwanzaa, and New Year are a time to teach specific vocabulary while passing along some cultural knowledge. **This holiday Salon will provide 12 holiday activities to bring seasonal cheer to the last few weeks before the holidays.**

You can't really let December and the last weeks of classes before the holidays go by without some kind of fun!

Please bring ONE "best practice" holiday related activity to share with your colleagues.

As always, the Salon will be laid-back, kick-off-your-shoes, meet, learn, drink wine, eat cheese, and feel happy to be part of NYS TESOL!

To keep the Salons intimate, there is room for only 12 participants, members-only.

Please understand that the sooner you RSVP, the greater the likelihood there will be space.

When you RSVP, we will provide directions.
